Dear Colleagues,

It is my great pleasure to invite you to attend **“The 20th Scientific Congress of the Asian Pacific Endodontic Confederation & The 14th International Congress of Turkish Endodontic Society”** which will be held in Istanbul, Turkey on April 24-27, 2019. The theme of the congress is **“Contemporary Endodontics: a new Era”**

The congress will be structured to evaluate the latest developments in the world of endodontics and provide up-to-date knowledge sharing. We anticipate delegates from all over the world. We will have well-known lecturers, key opinion leaders and rising stars who will present the most recent advances in basic and clinical endodontics. In addition to pre-congress courses, oral and poster presentations also promise you a colorful program. Apart from excellent scientific content, a satisfying social program offers you to have a congress you will never forget. There will also be time to explore İstanbul, one of the most beautiful cities in the world where Asia and Europe meet. You will love the Bosphorus, World Heritage Sites such as Topkapı Palace, Hagia Sophia, the subterranean Basilica Cistern and famous Turkish cuisine.

On behalf of the Turkish Endodontic Society and Congress Organizing Committee, I look forward to seeing you in İstanbul in 2019. We are sure this will be one of the most memorable congresses you have attended.
